*Availability varies by state

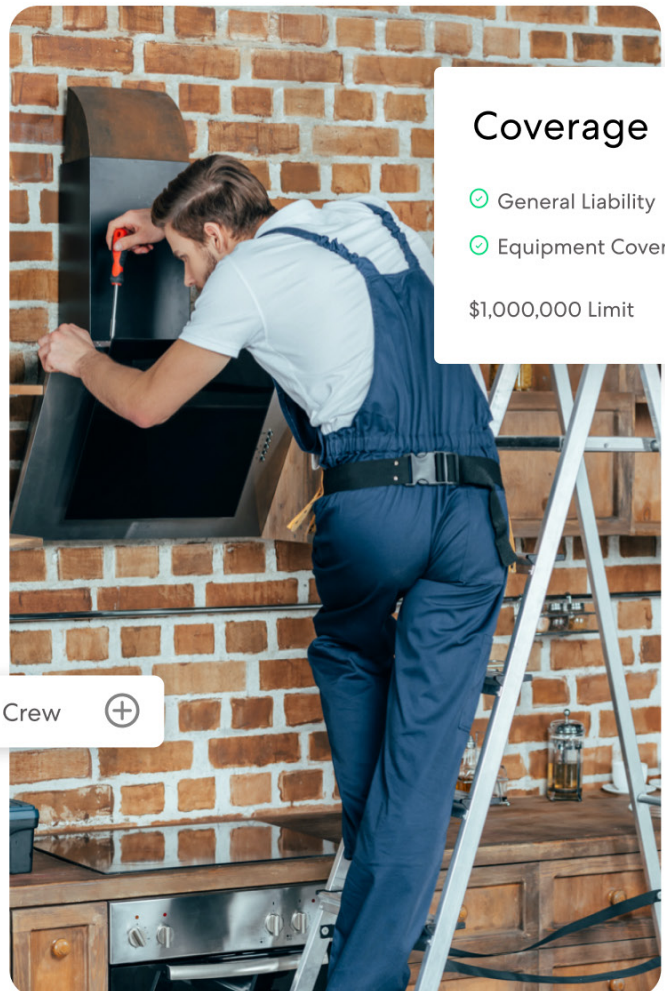

It was our most requested rollout, and now it's here.

- Bind annual policies in 60 seconds
- General and professional liability + new coverages including inland marine
- Manage your whole book in our easy-to-use Broker Portal
- **\$50 on every new referral + 10% commission in perpetuity**

What's new?

Thanks to our trusted partners at National Speciality Insurance Company, we're now able to offer annual policies in select states!

*Contract terms and conditions apply.

How does it work?

- Thimble's Exposure Period still included with annual policies — one year of products + completed operations coverage after policy termination
- 10% savings on average compared to Thimble Monthly
- Full annual premium due at inception can be financed by the premium finance company of your choice

Along with annual policy terms, we've unlocked important value adds for you:

- **NEW** Add inland marine: In states eligible for annual, you can also add **Business Equipment Protection** — Thimble's customer-friendly term for inland marine. For classes like photographers and handymen who bring expensive equipment on the job, this is a key coverage to really protecting the full picture of their business.
- **NEW** Add the care, custody, and control endorsement: Along with inland marine, you can add more value to eligible policies by removing the general liability exclusion for damage to property in the insured's care, custody, and control. Known to our customers as **Customer Property Protection**, this is key for classes responsible for handling third-party property.

Why bring your business to Thimble?
